

## WATER YOUR WAY

Still or sparkling water with single or mixed fruit flavor; electrolytes, vitamin C or caffeine enhancements.

## ECO-FRIENDLY

Multiuse pouches reduce waste by providing up to 300, 8-oz. beverages per pouch.

## HEALTHY HYDRATION

A healthy alternative to sugary beverages; provides filtered water, with natural flavors and enhancements, all with zero calories.

## BOTTLES SAVED

Green Ticker™ counts the number of disposable, single-use bottles served without the waste.

## TOUCHLESS DISPENSING

Create beverages, view nutritional information and maintain units all from the touch screen or your mobile device.

## ONLINE PORTAL

Staff can conveniently monitor units, maintain notifications and manage orders – all from their computer, smartphone or tablet.

## SMART REFILL

Connected unit tracks usage and sends reports when flavors, enhancements, filter and CO<sub>2</sub> need replacing.
